Made in the USA

QXT-700 Rear

 The QXT-700 is the World's first platform agnostic Quad Core IP HD 7" Touch Panel (QXT-700TS) / Control System (QXT-2). Ideal for conference rooms, educational facilities, digital signage and more. Designed to mount into a standard 2 Gang box, the QXT-700 has a beautiful 1280 x 800 touch screen with 170 degree viewing. The 2D and 3D graphics engine with 1080p H.264 streaming decoder provides a powerful solution for complex graphics and video, ensuring an enhanced user experience.

To further enhance the experience the QXT-700 has stereo speakers, stereo digital microphones, light sensor, proximity sensor, and IR Learner. The QXT-700 is a powerful 'all in one' solution for your presentation and automation needs.
