

**SANITIZED**  
BY

**ae** air  
essentials®

Our infection control sanitizing process eliminates odors, mold, and mildew, and kills 99.999% of bacteria and viruses like MRSA, H1N1, Enterovirus, Staph and CORONAVIRUS.

## Clinically Clean®

Wherever you see the Clinically Clean® seal, you can rest assured that the surface you touch and the air you breathe was properly sanitized by a trained professional.

Safe Non-Corrosive Non-Flammable Fragrance-free
