

KRAMER

C-UA/LTN

Lightning to USB Sync & Charge Cable

Kramer's C-UA/LTN cable is a MFi certified USB 2.0 cable to connect and charge your iPhone®, iPad® or iPod® with Lightning™ connector.

The cable can be used to connect to your computer's USB port for syncing and charging or to a USB power adapter for reliable charging from a wall outlet. The Lightning connector fits in either direction to enable easier connection of your Apple devices.

FEATURES

- **Quality Performance** - For reliable syncing and charging, Kramer's C-UA/LTN cable is built using high-quality materials with durable construction for maximum flexibility.
- **Compatible Devices** - iPhone 6, 6 Plus, 5, 5C and 5S; the iPod Nano, the iPod Touch, the iPad Mini, the iPad Air and the 4th generation iPad.
- **Available Colors** - White, black, blue, green, yellow & pink.
- **MFi Certified.**
