## VERTICAL WIRE MANAGERS

ECA now has a series of attractive, practical solutions for managing wires from under the worksurface to the floor. With no installation hardware required, Cable Clips simply snap on to the table leg and can house both electrical and data cables and be easily adjusted and re-adjusted by the user. The Slinky's flexible coil design adds a stylish element to wire management. The Snake can be used on stationary and height-adjustable desks to completely hide and protect all wires within the unit.
