# Chapter 1 Safety Instructions

---

Always follow these safety instructions when setting up and using the Ceiling Camera:

1. Use attachments only as recommended.
2. Use the type of power source indicated on the Ceiling Camera. If you are not sure of the type of power available, consult your distributor or local electricity company for advice.
3. Always take the following precautions when handling the plug. Failure to do so may result in sparks or fire.
  - Ensure the plug is free of dust before inserting it into a socket.
  - Ensure that the plug is inserted into the socket securely.
4. Do not overload wall sockets, extensions cords or multi-way plug boards as this may cause fire or electric shock.
5. Do not place the Ceiling Camera where the cord can be stepped on as this may result in fraying or damage to the cord or the plug.
6. Do not block the slots and openings in the Ceiling Camera case. They provide ventilation and prevent the Ceiling Camera from overheating. Do not place the Ceiling Camera on the soft surface of sofas, carpets or others.
7. Never push any kind of objects through cabinet slots. Never allow any kind of liquid to spill into the Ceiling Camera.
8. Except as specifically instructed in this User Manual, do not attempt to operate this product by yourself. Opening or removing covers may expose you to dangerous voltages and other hazards. Refer all servicing to licensed service personnel.
9. Unplug the Ceiling Camera during thunderstorms or if it is not going to be used for an extended period. Do not place the Ceiling Camera or remote control on top of vibrating equipment or heated objects such as a car, etc.
10. Unplug the Ceiling Camera from the wall outlet and refer servicing to licensed service personnel when the following situations happen:
  - If the power cable or plug becomes damaged or frayed.
  - If liquid is spilled into the Ceiling Camera or it has been exposed to rain or water.

**<Note> Using an incorrect battery type in the remote control may result in breakdown. Follow your country's instructions on how to dispose of used batteries.**

## ■ Precautions

**Warning: To reduce the risk of fire or electric shock, do not expose this appliance to rain or moisture.**

If the Ceiling Camera will not be used for an extended time, unplug it from the power socket.
