17422	T3-PC1DCP-ALM	DIG-A/V-DATA 3.5" Cable Pull Round Table Box
17425	T3-PC1DCP-SQALM	DIG-A/V-DATA 3.5" Cable Pull Square Table Box
17423	T3-PC1DCP-BRS	DIG-A/V-DATA 3.5" Cable Pull Round Table Box
Pull Out Style Cables - Pigtails for Hardwired AC Input		
17427	T3-PC1DHWCP-BLK	DIG-A/V-Data 3.5" Cable Pull Round Table Box
17430	T3-PC1DHWCP-SQBLK	DIG-A/V-Data 3.5" Cable Pull Square Table Box
17428	T3-PC1DHWCP-ALM	DIG-A/V-Data 3.5" Cable Pull Round Table Box
17431	T3-PC1DHWCP-SQALM	DIG-A/V-Data 3.5" Cable Pull Square Table Box
17429	T3-PC1DHWCP-BRS	DIG-A/V-Data 3.5" Cable Pull Round Table Box

The T3-PC1 series are perfect table boxes for single users, where convenient access to network drops, ac power sources and video/audio displays is required. The small footprint provides an unobtrusive complement to any décor.

The T3-PC1 allows the user to connect their Laptop or PC to an external video display and house sound system as well as "link up" with network and phone lines. The T3-PC1D has an HDMI pass through in place of the RJ-11 jack.

The T3-PC1CP allows the user to connect their Laptop or PC to AC power and an external video display and house sound system as well as "link up" with network and phone lines.

The keystone areas can be populated with a variety of connectors including network, telephone, RCA or mini stereo audio, push buttons and much more to suit unlimited applications. Alternate style snap in keystone connectors and blanks are available separately for either model.

These stylish table boxes fit a 3½" round opening and are easily installed using a standard hole saw.

Round and square covers are available in black, brass or aluminum to blend with the decor.

The T3-PC1 includes:

- 1 AC Power outlet (pre-mounted)
- 1 HD15 Computer Video Female Connector
- 1 Stereo mini jack with 3-pin screw terminal plug
- 1 RJ-45 pass through keystone connector (pre-mounted)
- 1 RJ-11 pass through keystone connector (pre-mounted)
- 1 RJ-45 pass through keystone connector
- 1 Keystone Blank
- 1 Pre-wired Power cord with plug

The T3-PC1D includes:

- 1 AC Power outlet (pre-mounted)
- 1 HD15 Computer Video Female Connector
- 1 Stereo mini jack with 3-pin screw terminal plug
- 1 RJ-45 pass through keystone connector (pre-mounted)
- 1 HDMI pass through keystone connector (pre-mounted)
- 1 Pre-wired Power cord with plug

The T3-PC1CP includes:

- 1 AC Power outlet with 9' Cord and plug
- 1 HD15 male to HD15 male Computer Video cable 5'
- 1 Stereo mini jack male to Stereo mini jack male cable 5'
- 2 RJ-45 to RJ-45 CAT-5e (EIA/TIA568B) cables 9'

T3-DV2S

The T3-DV2S is HD ready with a bulkhead mounted HDMI connector and two keystone openings for network connectivity, FSR's snap-in USB charger and many other FSR Simple Solutions snap-in connectors. Two blanks are included with all models. For convenience, an integral AC outlet with cord is ready to power a laptop or mobile device.

One or two pushbutton LED options can be ordered and used to operate and provide status from control systems as required. The output is easily wired using the captive screw terminals on the underside of the unit.

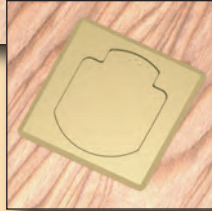

Round or square cover choice, along with aluminum, black or brass finishes are offered.

T3-AC2, T3-AC2CP

T3-PC1SQ

T3-AC2CP

Shown with round cover in black.

US Patent US D553,306 S

The T3-AC2 primarily allows quick, convenient access to AC power and network access for up to two computers or laptops.

The keystone areas can be populated with a variety of connectors including network, telephone, RCA or mini stereo audio, push buttons and much more to suit unlimited applications. Alternate style snap in keystone connectors and blanks are available separately.

These stylish table boxes fit a 3½" round opening and are easily installed using a standard hole saw.

Round and square covers are available in black, brass or aluminum to blend with the decor. The small footprint provides an unobtrusive complement to any décor. The T3-AC2 can be installed in tables ¾" to 2½" thick. They are shipped with 3" installation screws and the components listed below.

The T3-AC2 includes:

- 2 AC Power outlets (pre-mounted) with 9' integral 14 GA SJT power cord
- The T3-AC2HW hardwired versions do not include a power cord. Short leads and wire nuts are provided for direct AC connection.
- 2 RJ-45 pass through connector (pre-mounted)

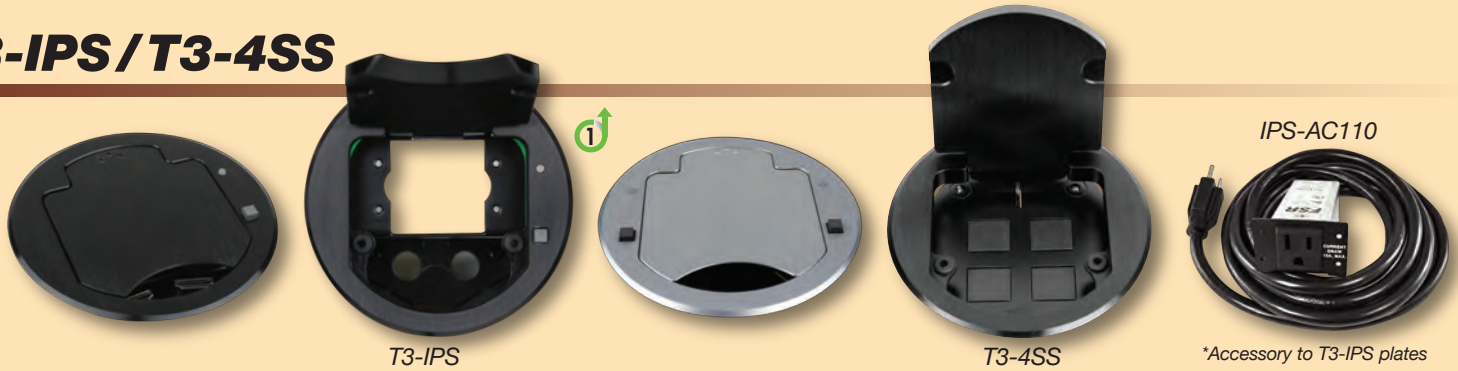

The T3-AC2CP includes:

- 2 AC Power outlets with 9' Cord and plug
- 2 RJ-45 to RJ-45 CAT-5e cables (EIA/TIA568B) cables 9'

All cables are pre-installed and tested at the factory. Cable lengths are measured while cables are fully extended.

T3-IPS/T3-4SS

Whatever the cabling scenario may be, the T3-IPS table boxes have it covered. The box interior is ready to accept the appropriate combination of FSR's IPS connector plates with two IPS spaces provided. Brackets with cable pull openings are provided for; a single cable (HDMI or Display Port), 1 HD-15 (VGA) cable with 1/8" audio cable or two HDMI or Display Port cables to be stored safely under the cover and easily deployed when needed.

The T3-4SS Table box has openings for up to four FSR Simple Solutions Snap-in connectors.

One or two pushbutton LED options can be ordered and used to operate and provide status from control systems as required. 6' Color coded leads are preinstalled, ready to wire.

Customizing also extends to the cover style and finish with round or square cover choice along with aluminum, black or brass finishes. Retractor mounting kit for T3-IPS table box is item 17709 T3-IPS-RTMKT. Mounting kit sold separately please refer to cable retractor spec LIT1497.

This symbol indicates the T3-IPS table box can accept (1) retractor. Retractor mounting kit is item 17709 T3-IPS-RTMKT. Mounting kit sold separately please refer to cable retractor spec LIT1497.

TB Series Table Boxes

The new **TB-BOSE** and **TB-BOSE-IPS** table boxes are tilt top style table boxes designed specifically to contain a Bose™ FreeSpace 3 Surface-Mount Satellite Cube Speaker, the TB-BOSE has space for the speaker only. The TB-BOSE-IPS has space for the speaker and up to four (4) IPS (Intelligent Plate Solutions) insert plates.

Speaker provided by customer.

The **TB-IPS** is a tilt top style box that can be easily custom configured for any job. The unit has openings for up to (8) single IPS insert plates or a variety of multiple plate arrangements.

T3-MJ+

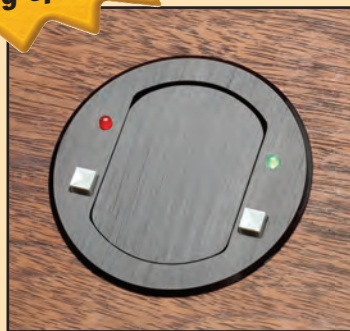

**New Options
and Muting
Features!**

US Patent Number: 6,881,080
Microphone not included.

**Models Available in
3 Pin, 5 Pin or
Mini 3 Pin XLR
and built-in
muting option.**

The first elegant way to mount a gooseneck microphone. These stylish, mini tableboxes are round and are available in three finishes brass, silver, or black to complement a variety of decors.

The **T3-MJ+** is a simple installation requiring a 2-inch round hole. Less than 1.5-inches of under table clearance is required. The built-in, acoustically isolated microphone connector accommodates microphones with 3-pin XLR plugs of a diameter of 1-inch or less and provides superior shock and vibration damping.

They are designed to accommodate a wide range of tables and lecterns with up to 2½-inch thick surfaces. An undertable shroud is provided as part of the assembly.

The **T3-MJ+1B** or **2B** lets you add one or two buttons to the basic **T3-MJ+**. These units are custom assembled with momentary or maintained type switches with a variety of switch caps and bi-color LED's. The switch (SPDT) contacts and LED wires terminate on screw terminals for ease of wiring.

The **T3-MJ+1BM** or **2BM** models feature an internally pre-wired built in mute feature. The right switch, when pressed, will alternate between mute / unmute states. Mute status is provided via the bi-color LED with red indicating mute and green indicating active. Power for this feature is derived from the mixer's phantom power source.
