NoviTizer

DIGITAL HAND-SANITIZING DISPENSER

FIGHTING GERMS THE SMART WAY!

Use the power of Digital Signage to spread awareness and kill germs using our automatic (no-need-to-touch) hand sanitizer

The digital content in the screen is easily manageable through our online cloud-based digital signage studio. We also offer custom design services to save time and make the most out of them.

REDUCE THE SPREAD OF GERMS & VIRUSES

In a world of viruses and bacteria, NoviSign Digital Signage launches new specially designed digital signage hand sanitizer kiosks that dispense 99.99% germ-killing sanitizer gel.

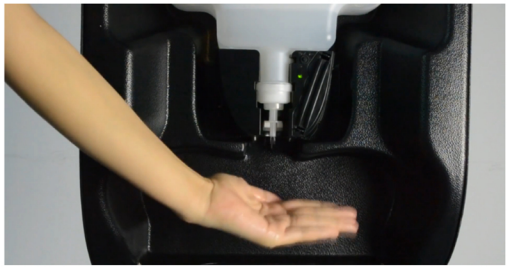
The new line of sleek free-standing and wall mountable hand sanitizing systems ship plug and play, ready to go! The hand sanitizing kiosks come equipped with an internal auto-dispenser that dispenses gel, foam or liquid sanitizer, and feature a sturdy metal enclosing that is designed to withstand public settings. The built-in commercial grade 21.5” display allows organizations to easily display any combination of announcements, advertisements, videos, slideshows, and media.

Hand sanitizing kiosks are the perfect solution for high-traffic public locations such as:

- Hospitals, medical clinics, and dentist offices
- Grocery and retail stores
- Commercial buildings and malls
- Gyms and health centers
- Hotels and resorts
- College campuses and schools
- Local government buildings

AUTO DISPENSER

Auto Dispense via the built-in IR Sensor, clean, safe & completely touch free to avoid cross infection. Number of Dispensing times can be adjusted to 1,2,3 or 4



3.6L INTERNAL RESERVOIR

Volume: 3600ml – provides 9000 Pumps. Optional Dispenser heads providing; hand foamer at 0.4ML, 1ml, 1.5ml

FLOOR STANDING OR WALL MOUNTED

4 x fixing points to the rear of the unit making wall mount installation an a easy solution, or Optional Extra floor stand for a more mobile freestanding solution

CLOUD DIGITAL SIGNAGE

Display, Schedule & upload media content instantly from anywhere. RSS News & Social Media Widgets etc, including the Latest WHO and American News Media Content.

EASY CONNECTION

Ethernet & Wi-Fi enabled. Once the digital content is loaded, it can also play offline via cache (if enough storage).

EASY MAINTENANCE / INSTALLATION

Die cast plastic moulded design, makes it easy to clinically wipe free & clean. Removal & installation of the internal Reservoir for Foamer refills, just take minutes.
