DESCRIPTION

The Symphony Pedestal makes waiting areas and workspaces an inviting place to plug in. The Pedestal is agile enough to accommodate charging multiple devices while also providing multiple AC outlets. The Symphony Pedestal is floor standing and available in two heights, 24" and 30", and is an attractive addition to your space.

A 9' AC cord provides power from a standard 125VAC 15A outlet, and the unit is lightweight and easy to relocate. Available in black or white colors with an attractive aluminum housing. If a custom color is needed, you can select one of our POP of COLOR choices and match your table boxes to your pedestal.

Place your pedestal under a desk, counter, near a couch or chair grouping and you have charging and power within reach.

FEATURES

- Designed with 4 AC outlets
- Supplied with a Dual USB charger that supports full 5V 10W charging capability on each charging port
- Black or White color options available
- Available in two heights, 24" and 30"
- Provides discreet charging and utility outlets
- 9' AC Power Cord
- Custom configurations with keystone connectors, VGA, XLR are available.

APPLICATIONS

- Lobby areas in Hotels, Schools, Convention Centers
- Classrooms
- Airports
- Waiting areas in spas, offices and any temporary or permanent seating arrangements
- Under your desk or counter at home or at work
