# TAVIS

Thermal AudioVisual Integrated Solution
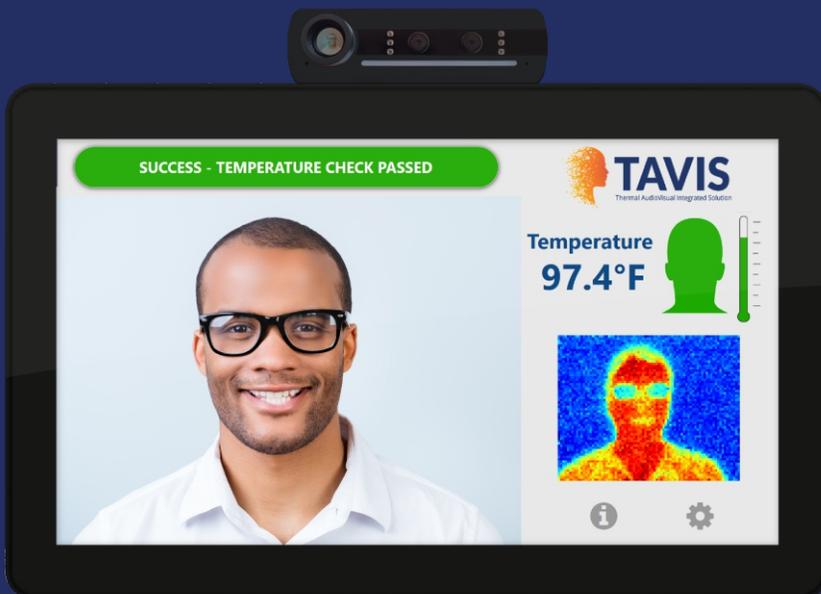

A Generation Ahead

10.1", 15.6", 21.5" (TAV-10, TAV-15, TAV-21)

- Scan Distance: Up to 3' (1m)
- Temperature Scan Speed: 1 Second
- Canthus (Tear Duct) Eye Detection
- Mask Detection
- Eye Wear Detection
- Anti-Spoofing
- Future Firmware Upgrades & Options
- Facial Recognition (Local or Centralized)
- 4K Digital Signage Capabilities
- Age, Gender, & Ethnicity Prediction
- QR Code Detection
- Gesture Responses
- Optional Pulse Oxygen & Printing

SUCCESS - TEMPERATURE CHECK PASSED

Temperature
97.8°F

Patent Pending

- Streaming Video for Security
- Email Alerts
- RGB Color Indicator Bar
- Portrait or Landscape
- Available in Black or White
- Embedded ReAX Control
- Customizable Web Pages

TAV-10   **TAV-15**   **TAV-21**

Technical Specifications
- Scan Distance: (.3m to 1m) 1' to 3'
- Accuracy: +/- 0.3°C (+/- 0.5°F)
- 80x64 Resolution (5x More than 32x32)
- Android 9
- 6 Core Processor, 4GB RAM, 32GB Flash
- HDMI Output for Remote Viewing
- Stereo Mics with Audio Processing
- WiFi and 1G Ethernet
- PoE, PoE+, PoE++ (10.1", 15.6", 21.5")
- VESA Mounting Pattern
- Integration with Third-Party Devices and Access Systems

Advanced Optional Features
- Criminal Database Cross-checking
- Centralized Server Software
- Centralized Facial Recognition
- Two Way Audio Video Support Desk (Q3)
- Voice Recognition (Q3)
- 4G Data Communication
