Cable Management

BLOCK & SLIDE

Block cable pathway with mount-bracket.
(Left Aluminum, Right Black).
*Sold as complete assembled part.

DESCRIPTION

Our Concerto family of cable management products has expanded with the introduction of the Block and Slide cable pathway solutions. The Block and Slide provide a sleek, modern and easily adjustable wire duct, while simplifying wire management in your workspace. This is an economical and elegant way to route cabling from the underside of your work surface to the floor. Both models feature easy installation and add an aesthetically appealing appearance under any workspace. Manage your cables in-style with the Block and Slide.

FEATURES

- Modern wire duct, perfect for any environment where wire management is needed
- Sleek design integrates with any aesthetic
